

Felixavier Alvarez

Technical Support Specialist

Gainesville, Florida

(352) 454-7043

Felixavi.alvarez@gmail.com

PROFESSIONAL SUMMARY

IT Support Specialist with 9+ years of experience helping people work through technical problems with a customer-first mindset at the core of every interaction. Skilled at evaluating and prioritizing inbound requests, interviewing users to identify root causes, and walking non-technical users through solutions in plain language. Track record managing 2,000+ accounts, onboarding employees onto new software, and documenting resolutions accurately in ticketing systems. Combines technical knowledge with genuine care for the people being helped so every user feels supported, not just resolved. Previously considered by Infotech and glad to be reapplying for this role.

WORK EXPERIENCE

Cordaroy's · Gainesville, FL

09/2025 – Present

Store Manager & Client Support Specialist

- Serve as the primary technical resource for office operations, troubleshooting hardware, software, networking, phone lines, printers, and peripherals to keep daily workflows running.
- Leverage Zendesk and Jazva to manage support workflows, document interactions, and deliver timely responses across phone, email, and in-person channels.
- Guide customers through warranty processes, shipping logistics, and website navigation, reducing repeat contacts through clear and complete first responses.
- Conduct recurring client check-ins to address pain points and ensure successful adoption of key features, escalating complex issues with full context when needed.

Bailey's Gym · Gainesville, FL

11/2021 – 09/2025

Fitness Consultant Supervisor

- Managed 2,000+ member accounts in ABC Financial software, resolving access issues, billing discrepancies, and system errors while maintaining accurate records.
- Served as the go-to resource for staff software and system issues, troubleshooting problems and walking team members through solutions with patience and clarity.
- Trained new staff on internal software and hardware, translating technical processes into plain-language guidance regardless of their experience level.
- Built self-service FAQs and reference guides that reduced repeat support requests and equipped staff to resolve common issues independently.

Best Buy · Gainesville, FL

2017 – 2021

Phones & Telecom Specialist / Tech Support

- Diagnosed and resolved hardware, software, and connectivity issues across smartphones, tablets, and computers on iOS, Android, and Windows in a high-volume environment.
- Interviewed customers to identify root causes of technical problems and guided them through step-by-step diagnostic procedures to reach accurate resolutions.
- Supported device setup, data migration, software installation, and account configuration, explaining each step in language matched to the customer's comfort level.
- Escalated complex cases to Geek Squad with full documented context and consistently met customer satisfaction and service quality benchmarks.

EDUCATION

University of Florida

College of Journalism & Communications · Minor in Innovation
Gainesville, FL · 2018–2022
